Your Subscription

Your Taecanet Springboard subscription covers unlimited school and home use for 12 months (or 24 months, if selected) from date of order. The Taecanet Springboard licence includes set up and online support services, see website for full subject details. All prices are subject to VAT.

All subscriptions include a free interactive training programme, newsletters and telephone support on a non premium rate number 0871 288 4580. We strongly recommend that the best results from the service will be obtained by investing in our fully inclusive annual contract which also provides for up to 3 site visits and training sessions of up to 2 hours duration, telephone support at standard call charges and access to online support.
